BUSINESS REQUIREMENTS

CUSTOMER DISCOVERY & PROJECT BRIEF

Please complete this form so we can understand your goals, users, required features, and expectations before preparing a project scope and proposal. If a question is not relevant, write “N/A”. This document captures initial requirements; final scope, timeline, and pricing will be confirmed in the proposal or agreement.

1. Customer & Project Information

Customer / Company Name	Primary Contact Person

Email Address	Phone / WhatsApp

Project / Business Name	Date Submitted

Business Website / Social Links	Preferred Contact Method

2. Business Overview

Briefly describe your business, product, or service

What problem should this project solve? Why is it needed now?

Who are your target customers or users? (age/group, location, needs)

What makes your business or offering different from competitors?

3. Project Type & Goals

- ■ Business website
- ■ E-commerce website
- ■ Web application
- ■ Mobile application
- ■ Landing page
- ■ UI/UX design
- ■ Redesign existing product
- ■ Software / automation
- ■ Other: _____

If you selected “Other”, please describe

Top 3 business goals or success outcomes

Success measures / target numbers

4. Features & Functional Requirements

- ■ Pages / content management
- ■ User registration & login
- ■ Customer profile
- ■ Admin dashboard
- ■ Product / service catalogue
- ■ Search & filters
- ■ Online payments
- ■ Booking / appointments
- ■ Forms / enquiries
- ■ Chat / messaging
- ■ Notifications / email
- ■ Reports / analytics
- ■ File / image uploads
- ■ Third-party API integration
- ■ Multilingual support
- ■ Blog / news
- ■ Maps / location
- ■ Other: _____

Must-have features (highest priority)

Nice-to-have features (can be added later)

Any special workflows, rules, calculations, or user journeys?

5. Content, Design & Brand

- ■ Customer will provide content
- ■ Existing brand guidelines available
- ■ Use existing website as reference
- ■ Please help create content
- ■ New branding / logo needed
- ■ Need design support

Preferred colours, style, or visual direction

Reference websites / apps you like (include URLs and what you like)

Content/assets available (logo, photos, text, videos, product data, etc.)

6. Technical & Integration Requirements

- ■ Social media integration
- ■ Need domain / hosting support
- ■ Payment gateway
- ■ Email / SMS service
- ■ Analytics / tracking
- ■ Other / unsure

Existing website, software, domain, hosting, or preferred technology (if any)

External services / APIs to integrate and purpose

User roles and access levels (e.g., admin, staff, customer)

Security, privacy, accessibility, backup, or compliance requirements

7. Project Logistics

Desired launch date / deadline	Budget range (currency + amount)

■ Fast delivery ■ Lowest cost ■ Premium design
■ Feature completeness ■ Scalability ■ Easy maintenance
■ Security / reliability

Key milestones, dependencies, or dates we should know about

Who will approve the work and provide feedback? Any other stakeholders?

8. Delivery, Support & Maintenance

- ■ Source code handover
- ■ Training / handover session
- ■ Content updates
- ■ Warranty / bug-fix period
- ■ Deployment / launch support
- ■ Ongoing maintenance
- ■ Hosting / domain management
- ■ Not sure yet

Preferred handover items (design files, documentation, admin guide, source code, etc.)

Expected support after launch and response expectations

9. Additional Requirements & Open Questions

Anything else we should know? Constraints, risks, assumptions, examples, or concerns

Questions you would like us to answer in our proposal

10. Confirmation

By submitting this form, I confirm that the information provided is accurate to the best of my knowledge. I understand this is an initial requirements-gathering document and does not, by itself, constitute a final quotation, contract, or commitment to deliver specific features. Final scope, deliverables, schedule, payment terms, and change-control process will be documented separately and agreed by both parties.

Customer Name	Signature (if printed)	Date

Thank you for sharing your requirements. We will review your answers and follow up if any clarification is needed.
